ACKNOWLEDGMENTS

1. Applicant's request for reconsideration filed 3/17/09 is acknowledged.

Note: Claims 1-51, 57-65 and 68-80 are pending.

RESPONSE TO APPLICANT'S ARGUMENTS

2. Applicant's request for consideration filed 3/17/09 has been considered. Specifically, the claims are being allowed because the prior art neither teaches nor renders obvious conjugates with releasable linkers which are absolutely essential to the instant invention. The significance of the releasable linker is illustrated by Applicant's unexpected results in the declaration by Dr. Christopher Leamon submitted under 37 CFR 1.132. The data therein discloses that for Applicant's conjugates as set forth in independent claims 1, 49, 51, 57, 61, and 62 (all which require a releasable linker) complete tumor disappearance occurs when in vivo experiments using the claimed drug delivery conjugates are used. Thus, based on the unexpected results and the requirement of a releasable linker and the fact that the prior art discloses use of non-releasable linkers, the instant invention is distinguished over the prior art.

ALLOWABLE CLAIMS

3. Claims 1-51, 57-65 and 68-80 are allowable over the prior art of record for the reasons above.

Art Unit: 1618

COMMENTS/NOTES

4. The provisional double patenting rejections over 12/064,191 and 12/064,163 are WITHDRAWN because they are the only remaining rejections in the application. Thus, since the instant invention is the earlier filed case, this application will be allowed to pass to issue.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to D. L. Jones whose telephone number is (571) 272-0617. The examiner can normally be reached on Mon.-Fri., 6:45 a.m. - 3:15 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Hartley can be reached on (571) 272-0616. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
